Dear Parent / Carer,

Key Stage 1 – Christmas Performance

Due to current restrictions in place, we will unfortunately not be able to welcome parents and carers into school to share our Christmas performances.

Not ones to be defeated, staff have put their thinking caps on and are hopeful that we will be able to arrange a pre-recorded performance, which will be posted 'unlisted' on our Youtube channel. We are looking to collate videos from our separate 'bubbles' and bring the school together in one video performance.

Parents and carers will be supplied a web link to enable them to enjoy the performance (please note school will be unable to accept liability for sharing of this link outside of our school community once distributed to parents / carers). We would ask, as always, that parents and carers do not share images and clips of the performance on social media to comply with our safeguarding policy.

The safeguarding of our pupils remains at the forefront of our minds; as such, we would ask that you complete the permission slip below. Please note, should we not receive a completed permission slip, we will assume you do **not** consent for your child to appear on images for our Christmas performance.

Yours sincerely,

Sarah Gordon

Executive Headteacher
