Lee Brigg achieves the 'Strong Standard' in all areas!

What the inspection recognised

Inspectors were overwhelmingly positive about our school. They noted that:

- "This truly is a school for everyone"
- Pupils achieve highly and are well prepared for the next stage of learning
- Behaviour across the school is "exemplary" and pupils show highly positive attitudes to learning
- Attendance is a significant strength and is well above national averages
- Teaching is consistently high quality, with clear explanations and strong routines
- Early Years provision is carefully designed, with communication and language at its heart

What this means for your child?

This outcome confirms that your child is part of a school where:

- they are safe, known and valued
- they receive a high-quality, ambitious education
- they are supported to succeed academically and personally

Early years

Strong standard 

Children thrive in a stimulating and purposeful early years environment both indoors and outdoors. Staff build warm relationships and use high-quality interactions to extend children's thinking, language and vocabulary. Children talk confidently about what they are learning. They make links to what they already know and show curiosity when exploring activities such as balancing and weighing sand.

The curriculum is carefully designed and sequenced from the Nursery Year to the end of the Reception Year. Clear milestones help every child make secure progress through the curriculum across all areas of learning. Communication and language sit at the heart of the curriculum. Staff plan regular opportunities for children to practise new vocabulary and develop confident speaking and listening skills. The teaching of early reading is a clear priority. In the Reception Year, children learn phonics from the start. They use this knowledge to begin reading and writing with increasing accuracy.

Provision for 3-year-old children is calm, well organised and skilfully delivered. Staff adapt learning carefully to meet children's starting points. This includes children with special educational needs and/or disabilities. As a result, children feel safe, make healthy choices and develop their independence. Leaders know the strengths of the early years well. They continually adapt practice to further develop and enhance the provision. Strong partnerships with parents and carers, including learning overviews, phonics updates and shared learning, help children to be ready and confident for their move into Year 1.

The Early Years Curriculum

In Nursery, children learn through a balance of adult-led activities and child-initiated play.

The EYFS curriculum is made up of seven areas of learning. Children work within these areas across the 2 years of EYFS.

Prime Areas

- Communication and Language
- Personal Social and Emotional Development
- Physical Development

Specific Areas

- Literacy
- Mathematics
- Understanding of the World
- Expressive Arts and Design

The Early Years Curriculum

These areas work together to help children become confident, independent learners. Throughout their two years, children explore exciting topics through stories, play, investigation and practical experiences.

Out topics will include:

- A Season of Light
- Roots, Shoots and Muddy Boots
- My Body, My Brain, My Choice!

More details to follow in September!

Autumn 2: Author Visit - Grandad Wheels

Spring 1: Little Feet Session

Spring 2: Tractor visit

Summer 1: Hatching chicks

Summer 2: Lotherton hall Trip

Reading

- Sharing books and reading with an adult is a really important part of your child's education. Please try and read with your child every day.
- We will have a lending library set up so your child will be able to take home a book with them to share with you at home each week.
- Your child will have a phonics lesson everyday. During these sessions, the children will be exploring enviromental sounds, exploring initial sounds in words and singing and learning how to orally blend sounds together.

School Ready.

To support your child to be ready for Nursery school, please help them with the following:

- Using the toilet independently
- Washing their hands independently
- Putting their coat on and beginning to zip up independently
- Singing Nursery Rhymes and songs
- Recognising their name
- Counting
- Playing with playdough and lego to build your child's hand strength
- Sharing stories together

Our School Uniform

A promotional poster for the Normanton School Uniform Exchange. The background is light blue with faint illustrations of school uniforms (sweaters, skirts, dresses) and school supplies (pencil, paper). In the top left corner, the text 'NORMANTON SCHOOL UNIFORM EXCHANGE' is written in bold black capital letters, accompanied by a small icon of a shirt. In the top right corner, a white starburst graphic contains the text 'FREE secondhand uniform' in bold black letters. In the center, a black rectangular box contains the text 'OPENING TIMES' in white bold capital letters. Below this, a white rectangular box lists the opening hours: 'Tuesday: 9am - 2pm', 'Thursday: 9am - 2pm', 'Friday: 9am - 2pm', and 'Saturday: 9am - 2pm'. In the bottom left, there is a photograph of the exchange's location, a brick building with a blue sign that reads 'the normanton school uniform exchange'. In the bottom right, a white rectangular box contains the text 'Find us at: 1st Floor, 20 Market Place Normanton WF6 2AU'. At the very bottom, there is a Facebook icon followed by the text 'Normanton School Uniform Exchange' and an email icon followed by the text 'normyuniform@gmail.com'.

I'm sorry that my uniform got dirty today but it helps to show what I have been learning.

This splodge is part of my lunch. I am trying so hard to use a knife and fork correctly when I eat.

These marks were made with pens. I am trying so hard to develop my writing and drawing skills.

This grass stain shows I have been using the outdoors to develop my physical skills.

Painting helps me to develop my creativity. Sometimes I accidentally get paint on my shirt as I work.

This playdough stuck to my shirt while I was exploring shapes and textures.

Sometimes my uniform comes home a little wet. I learn huge amounts of Science and Maths when I play in the water tray.

The Mud Kitchen is very messy but it helps me to develop my imagination and use of descriptive language.

Snack Time

- Please can you provide your child with a water bottle for school. These will be sent home each day to be cleaned and returned the following day.
- Milk is provided free of charge to all children.
- All children have access to fruit and vegetables daily.
- We have whole class snack times at 10.30am everyday!
- Please inform teachers of any medical or dietary requirements.
- If your child is doing 30 hours, please provide them with a packed lunch.

Collection of Pupils

The safety of all of our pupils is of extreme importance at Lee Brigg.

If the adults who normally collect your child are unavailable to collect them and you have made alternative arrangements, please let the school office know.

Please note that due to safeguarding policies and procedures, we are unable to let a child leave with an adult who we are unfamiliar with or we haven't been informed is collecting.

Only adults over the age of 16 are permitted to collect our Reception pupils.

You will receive a letter after the Stay and Play session on Wednesday 8th July 2026 providing information about your child's class teacher and which sessions your child will be attending in September.

Next Steps

- Please hand in your pupil information sheet and medical information sheet to a member of staff as you leave the hall.
- On Wednesday 17th June, at the Stay & Play session with parents, you will need to fill out a form which provides a date and time we can come to visit your child at home or in their current Nursery setting, should you wish.
