Autumn 2 - Heroes and Villains

Value of the term

We keep ourselves safe

One Life Focus:

How to respond and not react

As Writers we will:

- Continue to practise forming all lower case and capital letters accurately.
- Secure our knowledge of nouns and verbs.
- Learn what an adjective is and how these can be used.
- Practise using adjectives to create expanded noun phrases.
- Use all taught knowledge so far to create a poem.

As Mathematicians we will:

- Secure our knowledge of number bonds up to 10 and be able to recall these quickly.
- Learn how to write an equation using the +, - and = to sign.
- Use our knowledge of parts and wholes to write equations showing that + is the inverse of -
- Be able to name shapes and describe them using their properties.

As Scienctists we will:

- Name common materials.
- Identify the properties of these materials.
- Decide which materials would be best to do different jobs.
- Learn about a significant individual and find out what they invented. Year 1 will learn about Ruth Benerito and Year 2 will learn about Charles Mackintosh and Patricia Billings.

As Musicians we will:

- Learn about the Beatles.
- Learn the song the Colonel Hathi's March and Magical Musical Aquarium.
- Practise warming up our vocal chords ready to sing.
- Practise keeping a steady beat.
- Learn how to play instruments to the beat of a song.

As Geographers we will:

- Know the names of the four countries of the United Kingdom.
- Know the names of the capital cities of those four countries.
- Identify the flags of the four countries of the United Kingdom.
- Understand how weather and seasons can change.

As Historians we will:

- Learn about an event beyong living memory.
- Understand that chronology shows the order that something has happened.
- Learn about World War 1.
- Find out about Sergeant Stubby and Edith Cavell and understand why they are significant individuals.
- Debate who left a better legacy.

As Computer Scientists we will:

- Use technology safely and responsibly.
- Hold and operate a camera or tablet correctly.
- Frame a photograph carefully.
- Choose what to include in a photograph.
- Change position to capture different viewpoints.

Wider experiences:

- Year 2 will take part in First Aid Workshops and learn how to take care of someone when they get hurt.
- We will all take part in a Junk Percussion workshop learning about new intruments and having the chance to play them.

As Athletes we will:

- Learn how to be a gymnast.
- Improve balance and stability in a range of positions.
- Use strength and body tension to hold controlled shapes.
- Demonstrate flexibility in a variety of movements.
- Travel with increasing coordination and control.

As Artists we will:

- Learn about the artist Quentin Blake.
- Recap drawing skills using line, tone and shape.
- Practise drawing in the style of Quentin Blake.
- Practise using colour to bring a drawing to life.
