What's happening in Nursery?

Learning Overview

This half term we have lots of super exciting learning opportunities coming up! This overview is to give you an insight into what will be happening in the classrooms so that you can discuss this with your child at home.

Autumn 2
Glow, sparkle, shine

Mark-Making

During our mark-making sessions, children will continue to explore different marks and patterns, and be encouraged to experiment with a variety of tools and materials. Teachers will focus on helping children give meaning to the marks they make and develop their confidence in early writing.

Mathematics

In Maths, children will explore different movements and develop their counting skills up to 5 through practical activities, such as counting 5 claps, jumps or stamps. Children will sing number rhymes and songs to help them recognise numbers and develop their counting skills.

Understanding the world

Children will learn all about different celebrations including birthdays, Christmas, Diwali and Bonfire night.

Science

Children will investigate seasonal changes and will look for signs of Autumn and Winter outdoors.

Music

The musician of the half term is The Beatles. In music sessions, children will develop their understanding of pitch, adapting our voices to different characters and playing percussion instrumentsto a tune.

Reading

Our topic books are:

Children will develop their listening skills and begin to recognise the sounds that words begin with.

Physical Development

Children will develop their balance, coordination and gross motor skills through completing obstacle courses, exploring different ways of balancing. Children will take part in 'Wiggle and Squiggle' to develop their early writing skills.

Wider Experiences:

Lotherton hall Christmas experience

Visiting a care home to sing christmas songs.

Christmas Events: Nativity, party and a Parent Inspire.
