Subject Leader: Mrs Tutt

1decision resources have been developed over the past nine years and were created by specialists working together with schools, and most importantly, children. All materials have received the Quality Mark from the PSHE Association, which means that schools and parents can be assured that they include the very best practice as part of a whole-school approach to keeping children safe, happy, and healthy.

The 1decision platform has been designed to be interactive, fun, and engaging. At its core are a series of short film clips with alternative endings, which encourage children to consider the consequences of different decisions.

1 decision resources allow children to develop essential skills, knowledge, and vocabulary to manage different influences and pressures in their lives and to make safe and informed choices. Teachers and children use these films alongside pupil workbooks and on-screen lesson guides to explore various topics in a safe and supportive learning environment.
