

Health and wellbeing update Spring 2019

School Council

We were delighted to welcome new Councillors this term. Welcome Scarlett, Eve, Seb, Kajetan and Connie-Mae who were voted for by the children in their class. The School recently had a meeting with some real Councillors from Wakefield Council where we discussed the issue of dangerous parking near our school. Erin and Quinn also attended a meeting of the WAT Parliament where they met with Councillors from other schools. Our school also produced the Waterton Trust newspaper this half term; please visit the website to view this at

watertonacademytrust.org/parliaments-newspaper

PE

This term KS1 have enjoyed rugby or benchball with coaches from Featherstone Rovers and tennis with Dwight. Reception have enjoyed yoga sessions and football skills with Mrs Guppy. Children in Reception have also enjoyed balanceability where they have learned to balance, glide, steer and stop on balance bikes as well as building up strength and confidence and having fun.

Visitors.

This term the children met Derrick from the Zimbabwe Educational Trust. He delivered an assembly to the school about the work he does for the charity. We then held a non-uniform day to raise money for the ZET.

We also had a visit from Peter Ward who informed us about the danger of eating too much sugar. The children then invited their parents in for an information session about helping their child to make healthy choices.

Visits

This term KS1 spent a fantastic day at St Leonards Farm. Reception went for a Spring walk to the local woods and to Lidl to buy fruit to make fruit kebabs and nursery visited The Brigg to attend a book swap session.

After school clubs

This term after school clubs have included: Dance, tennis, multi-skills and drama.

Lindsay Tutt (Health and Well being Leader)
