

- Is the fish real? How does it move through the trees? Why are its eyes glowing? Is it alone? Is it looking for something? Is it good or bad?
- What is the person doing? Were they expecting to see the fish? How are they feeling? Why are they raising their arms? What is the ball of light near to the person?
- Are there glowing lights on the ground? What are these?
- Where is this place? How would you describe it?
