

## Literacy Challenge

Write a letter or postcard to the class bubble to tell them about the fun things you have been doing at home.

Remember – Think, say your sentence three times, write your sentence and then check it.

Don't forget to start your sentence with a capital letter, put finger spaces between words and end it with a full stop.

You could follow the Oak academy lesson below:

<https://classroom.thenational.academy/lessons/to-write-a-sentence-on-a-postcard/activities/1>

Tiger class  
Lee Brigg

Dear Tiger friends,

We miss you and hope you are having lots of fun learning and playing at home with your family.

This week we are measuring in maths. What have you found to measure at home? Did you find anything taller than yourself or even taller than mummy or daddy? What did you use to measure with?

We have loved listening to stories. What is your favourite story?

Don't forget to send us photos of all the fun things you are doing.

Love Tiger class xxxx
