

Tiger's newsletter

9th October 2020

This week in Tigers we have continued developing our cutting, drawing, colour mixing, sorting and counting skills. On Wednesday we were scientists and we planned and investigated what would happen to gingerbread biscuit men when we put them in different places – can your child remember what happened to the one who was put in water?

Reading books – please make sure you write a comment in the reading record so we know your child has been reading at home. Please read the book 3 times before changing it – this is really important for your child to build up confidence, fluency and word recognition.

On Tuesday we are planning to take the children for a ‘welly walk’ to local woodland to look for signs of autumn. Please ensure your child has wellies in school and comes wearing a waterproof coat and hat/gloves if it is a cold day.

Please save clean yoghurt pots, tubes and boxes and send them in to school to top up our modelling area.

Could you also send in any conkers, acorns or interesting leaves you find if you are out for a walk this weekend.

Please be mindful that children should be in school for 9 O’Clock (unless you have siblings at the Junior school and have already made alternative arrangements with school).

Don’t forget if you have a question or query you can:

- drop an e-mail to our tiger class e-mail address - leebrigggtigers@watertonacademytrust.org
- or speak to a member of the Reception team at the end of the school day.

Have a great weekend!

From Mrs Tutt, Mrs Taylor, Mrs Guppy, Mrs Greaves, Miss Taylor, Mrs Greenwood and Mrs Goulding (The reception team)
