

Tiger's weekly newsletter

13.2.20

Can you believe another half term is over and we are now half way through the school year! The children have enjoyed our 'Out of this world' topic and have loved learning about space and making all things alien.

This week we have been learning about keeping safe on the internet - we are sending home a questionnaire to find out what technology your child uses at home. Please complete and return after the holidays. We are also sending home a reading booklet which we discussed at parents evening - please read as often as you can during the week and bring it back to school on Monday. Finally, we are sending home is a 'Marvellous me bag' - please return after the holiday and throughout the first week, each child will have the chance to share their bag in front of the class. This is a great way to celebrate how different we all are and a great opportunity for children to build up their confidence, as they speak in front of their peers.

We have had a few issues with our class email this half term so apologies if you haven't received a reply. If you go anywhere exciting or would like to share any out of school activities with us, please email to tigers@leebrigg.wakefield.sch.uk

Our topic after half term will be 'Marvellous Me'. It is also World Book Day on Thursday 5th March and the children would love it if any of you (or another relative) would be willing to come in and share your favourite children's story with a small group of children. We will also be holding a maths stay and play during the last week of term – more details to follow on this.

Thank you for all your support this half term, have a lovely week.

Love from Mrs Tutt, Mrs Taylor, Mrs Guppy, Mrs Greaves, Miss Taylor, Mrs Greenwood and Mrs Goulding.

I (or another relative) am available to come in and read a story on Thursday 5th March at:

9.30am	11.15am	1.00pm	2.30pm
---------------	----------------	---------------	---------------

Please tick your preferred time.
