Friday 20th March, 2020.

Dear Parents and Carers,

Coronavirus (Covid19)

As you are aware, school will be closing today, **Friday 20th March 2020**, to most pupils in line with current government guidance. The closure will be effective until further notice. As a school, and as part of the Waterton Academy Trust we will continue to provide updates to our families using our **ParentHub** app, **Twitter** feed and **School / Trust Website**. If you are unable to access any of these platforms, then please advise the school office.

School Website:

Trust Website:

We appreciate that this is an uncertain time for many, however, we would encourage our families to **'Keep Safe, Think Safe'** (a golden rule and one of our key school messages at Lee Brigg Infant & Nursery School).

School will be open next week to support families who **absolutely** need provision. If you are a 'key worker' and are able to keep your child at home, this would be the **preferred option** to safeguard all in line with government advice. Families whom require essential 'key worker' support must identify themselves using the Waterton Trust questionnaire sent out this morning.

It is imperative that the Waterton Trust questionnaire is completed where appropriate as we are only able to accept pupils from families who qualify as eligible for imperative support.

I will endeavour to answer all e-mail enquiries submitted over the closure period. I would ask for your patience whilst I work through an unprecedented number of enquiries, as an immediate response will not be feasible. Where possible, please attempt to call school on 01924 893829 before submitting an e-mail enquiry.

Please be assured that we will as a staff and wider Trust, continue to provide support to our families wherever feasible and in line with government legislation. On behalf of myself and the staff at Lee Brigg, we look forward to pupils returning to Lee Brigg Infant & Nursery School as soon as the government allows.

Yours sincerely

Sarah Gordon – Headteacher
