

Tiger's weekly newsletter

21.11.19

This week we have continued reading the story of Stick Man. Stick Man sent us another postcard, this time from China, so as you know we went to Lidl to buy some Chinese food. The children enjoyed the walk and enjoyed tasting the food – please see our twitter page to see some photos (Our Twitter page is: [@Lee_Brigg](#)).

In maths, we have been finding out about 3D shapes. Could you encourage your child to go on a shape hunt this weekend and get them to use the shape names and discuss the properties? Eg The bus is a cuboid and has rectangular faces, the post box is a cylinder and has flat and curved faces.

We also had a package from the Cheeky Elf this week. He took the mobilo away as some children were not sharing or showing respect to their peers or with their toys. He also sent us some maps to help us choose different areas to play in – we call these our plan, do, challenge and review maps. We are hoping he will come and visit us next week to make sure we are all making good choices and are being respectful with our friends and our toys. Please talk with your child about making good choices, sharing and showing respect to others.

We are getting low on boxes, lids and tubes for modelling – please send some in if you can.

Please keep sharing with us and sending emails to : tigers@leebrigg.wakefield.sch.uk
