

Tiger's newsletter

22nd October 2020

What a great first half term we have had in Tigers. The children have all settled in well and are now familiar with the rhythm and routines of school.

This week we have ordered and retold the story of Billy's Beetle. The children enjoyed using story props to tell the story and enjoyed finding the Beetle hiding around the classroom. They used positional language including in, on, under, behind, next to, inbetween and behind to describe where they had found it. Why not play a similar hide and seek game at home? You could play indoors or outside.

In maths we have continued comparing objects and using the language of more, fewer, equal and the same as. We were scientists again this week and used our sense of smell to try and guess different smells. We loved the smell of ginger, lavender and orange but weren't as keen on onion!

Please remember to send your child's reading book and reading record to school every day so they don't miss their turn reading with the teacher.

We are also sending home your child's target, a copy of the handwriting patten and pictures and a letter introducing our new 'Life Skills Challenge'. We look forward to receiving emails showing us how your child has tidied their bedroom independently. We are also sending home PE kits to be washed. Please return after the holidays when our new PE day will be Thursday. If you have any kit that doesn't belong to your child, please wash and return after half term.

Our topic after half term is 'All Aboard' – don't forget to check out our website for our half termly overview.

Please remember if you have a question or query you can:

- drop an e-mail to our tiger class e-mail address - leebrigggtigers@watertonacademytrust.org
- or speak to a member of the Reception team at the end of the school day.

Have a great week, see you in November!

From Mrs Tutt, Mrs Taylor, Mrs Guppy, Mrs Greaves, Miss Taylor, Mrs Greenwood and Mrs Goulding, Mrs Woollands (The reception team)
