

In letters and sounds, we will focus on our auditory skills (listening).

Christmas officially starts in nursery next week! Thank you to everyone for bringing in the Christmas cake ingredients. We are going to make our cakes next week. Our Christmas tree should arrive on Monday (Carr Gate Garden Centre have kindly donated it) and the children will help to decorate it. There will be lots of other Christmas activities for the children to take part in and our key text will be the Nativity story.

Polly's party was a huge success. Thank you to everyone for providing food for the party. Photographs will be displayed in the cloakroom and in the book room. I am sure you will agree with us that the children have learnt so much from this topic.

Thank you to those who have already brought money in for our sponsored nursery rhyme challenge event. We are very grateful for all your donations. The children did really well with the challenge. They remembered so many rhymes, we were proud of each and every one of them.

Reminder: Our Christmas 'Stay and Play' session will take place on **Thursday 5th December.** You or a family member/friend (if you cannot make it) and your child will take part in lots of Christmas activities. We kindly ask that toddlers do not attend this session as we have limited space. The session will last for approximately 45 minutes. Children are to come to nursery at the normal time and adults will return when the 'Stay and Play' session begins. The sessions will be at **10.15am** (morning children) and at **2.15pm** (afternoon children).

Please remember to keep reading with your child at home. Reading increases a child's vocabulary and research shows that children who have a wide vocabulary will make better progress in school. We want every child to be able to read well by the time they leave Lee Brigg Infant and Nursery School. Thank you again for all the support you give your child and us. Enjoy the weekend, Mrs Windsor and Mrs Hough.
