

When we return to nursery our sound of the week will be 'o'! Please support your child to bring an object into nursery for our sound table, such as octopus or orange. Please remember, it is the sound we are learning, therefore, oats and oar are not correct. Can we please ask that you name the object that you bring in to avoid someone taking the wrong object home?

As soon as we have a new date for our maths 'stay and play' session we will let you know. Thank you to everyone for being so understanding about the sudden changes we have had to make this week.

The children will bring their bean home today. They will need to look after it whilst we are not at nursery. There is a bean diary for the children to complete. More information is on the letter, which you will find in the 'bean' pack.

For the safety of all our children (and to avoid the staff's cars from being damaged), can we kindly ask that you make sure that your child/children stand with an adult whilst waiting for the nursery door to open (morning and afternoon). This includes school-aged children as well.

Our chicks should hatch next Tuesday; however, Farmer Dean has said that he will bring some chicks into nursery once everything is back to normal! It is such a fabulous experience for both children and grown-ups. Awe and wonder at its best!

The home learning pack we have sent home gives you some activities that you and your child can do together. We hope you find it useful. Remember to try to keep active, perhaps do a daily wake up shake up and try to keep smiling! Keep checking our school website – the 'home learning page has activities, songs and updates!

Thank you so much for your continued support, keep safe please look after yourselves and your family.

School will keep you informed via parent hub and the school website.

I hope that will everything will be back to normal very soon

Mrs Windsor and Mrs Hough.
