

Tiger's weekly newsletter

5th March 2020

This week we have read the story of 'Where's my Teddy' and have discussed our favourite toys. We have drawn our favourite toys and have written sentences about them. We have made dinosaurs and 'spilt pin' super heroes and we have practised threading around teddies. In maths, we have sequenced events in our day and have encouraged the children to use the language 'before' and 'after'. We have also ordered the days of the week and the months of the year and have talked about what we do today, yesterday and tomorrow. Please reinforce this language at home, as some children have found these activities tricky.

Thank you to all the parents who came in and read stories to help celebrate World Book Day. We are glad you all enjoyed it and because it went so well we would like to invite parents to join us more regularly to be a 'Mystery Reader'. If you are available to come in and read a story or 2 on any of the dates below, please fill in the form and return it to school but please DON'T TELL YOUR CHILD AS WE WANT IT TO BE A SURPRISE. (If you are unable to come, it would be lovely if you could send a grandparent or family member). The sessions will run from 2.40pm to 3.00pm. Please rank in order availability on the slip below and we will confirm the date via parent hub.

Please could you send in any clean plastic bottles, small and medium sized boxes and plastic pots to replenish our model making area?

Check our twitter page to see some photos from today's reading sessions. Our Twitter page is: [@Lee_Brigg](#)

Thanks again for your continued support.

From Mrs Tutt, Mrs Taylor, Mrs Guppy, Mrs Greaves, Miss Taylor, Mrs Greenwood and Mrs Goulding
(The reception team)

Mystery Reader

Child's Name: _____

Name of adult _____

Please place number 1, 2 or 3 to indicate the order of your available dates.

Wednesday 11 th March	Wednesday 18 th March	Tuesday 26 th March
