

Hello everybody. We do hope that you are keeping well and are staying safe. Did you all enjoy the story videos? If you have not seen them yet, you can find the link on parent hub.

Next week, we will revisit the book 'Goldilocks and the Three Bears.' Please see the activity sheets (on the website and parent hub) for ideas of what you can do with your child. We will be following these in nursery. It is not a tick list; just do the ones you think that your child might enjoy.

We want to continue to encourage a love of reading. It not only introduces children to new words and increases their vocabulary, but it will help with their reading and language skills, as they get older too. The attached leaflet will give you some tips on how to help your child. Evidence suggests that children who are read to, or read for enjoyment every day, not only perform better in reading tests than those who don't, but also develop a broader vocabulary, increased general knowledge and a better understanding of other cultures. So please keep reading, remember, "There's no app to replace your lap."

Hello all the boys, hello all the girls, hello everyone, we hope to see you soon!

Keep busy, keep playing and keep well. We miss you all very much and you are all doing a fabulous job (children and grown-ups). Thank you for all your support. You know where we are if you need us. Take care and stay safe. Love Mrs Windsor and Mrs Hough
xx
