

Hello everybody. We hope that you are all keeping well and are staying safe. We know for some of you making a decision whether to send your little one back to nursery has not been easy. We just want to reassure you that we totally understand that the decision you have made is because it is right for you, your family and most of all, your child. Please do not feel guilty about your decision; no one is judging you. If you **have** chosen to send your child back to nursery, we ask that you please read the letter on parent hub that sets out the procedures and practices that you will need to follow to ensure everyone stays safe. Unfortunately, we have now reached the cut-off date for you to inform school about whether or not you want your child to return on June 1st. If you have decided **not** to send your child to nursery, but change your mind, please do not hesitate to contact school. Please be reassured that your child will still have their nursery/school place in September.

We will continue to keep in touch with **everybody** and I will continue to add a weekly activity plan (linked to a book) on parent hub and the school website.

If your child is due to go to school in September, we understand that you may be feeling anxious about their move to school. We are going to do our best to organise some transition days, which will enable the children to meet their new teacher and visit their new classroom. We will also hold a 'new to reception' meeting for parents/carers which will enable you to receive all the information you need about your child starting school.

We hope that you have all been keeping busy. Mrs Hough and I have been.....

doing school work!!

celebrating VE Day!

colouring

and completing a jigsaw

Keep smiling, keep busy and keep well. We miss you all so much and you are all doing an amazing job. Thank you for all your support. You know where we are if you need us. Take care and stay safe. Love Mrs Windsor and Mrs Hough xx
