Dear Parent/Carer

I am delighted that your child has had the opportunity, via their school, to be involved in Wakefield Children's University and I hope that they accessed some new and enjoyable learning experiences as part of their membership.

I am aware that your child will soon not have access to the Children's University through their school. In order to give your child the opportunity to continue to be a CU member and collect stamps and Learning Hours towards certification and the Graduation ceremony, we have introduced an Individual Membership for children who have passports and have attended a partner school.

This membership costs £15 per year (which is a 40% discount for existing passport holders) and will include CU newsletters with information about the CU and Learning Destinations, invitations to exclusive CU events, regular holiday challenges, the administration costs of membership, use of CU Online, certificates and use of ceremonial clothing upon reaching the Graduation threshold.

If your child would like to continue to be a CU member, please complete the application form and return it to us with payment.

Membership will run on an annual basis and renewal documentation will be sent to you a month in advance.

If you would like any further information, please do not hesitate to contact a member of the CU team on 01924 789746 or childrensuniversity@wakefield.ac.uk

Yours faithfully,

James Pennington
Wakefield CU Manager
