Friday 9th October, 2020.

Dear Parents and Carers,

School Photos

It was great to be able to capture everyone's lovely smiles on our individual school photographs on Tuesday.

Order forms have been sent home this week and Tempest have asked that we encourage as many parents and carers as possible to order online.

We are still able to accept orders using the paper forms provided – please could these be returned via class teachers no later than 16th October 2020.

Visitors To Our School Office

We would like to remind parents and carers that visits to the main school office entrance should be minimised to protect the safety of all.

- Any visits to the main school office should be **strictly by prior appointment only** or on prior agreement with staff.
- Please observe the signage in place in regard to one visitor only being permitted to the office at any given time. Should you arrive at the office and there be another visitor in the area, we would ask that you remain outside.
- Should there be requirement for you to collect your child for any reason during the school day, we would ask that you call ahead of arrival.
- Should there be requirement for you to collect your child during the school day to begin a period of self isolation due to Covid-19 Government guidance we would ask that you call ahead of arrival **and** adhere to current guidance with regards to the wearing of face coverings.

Parent / Carer Questionnaires

We have sent home Parent / Carer questionnaires this week.

As always, your honest feedback is important to us. We appreciate your comments in regards to what you feel we do well at Lee Brigg just as much as feedback in relation to areas you feel we could improve.

Please return parent questionnaires via the designated box which will be placed at the top of the office stairs each morning or via your child's class teacher.

Handwashing – Leopard Class

Our Leopard class were visited by Ms Ward (School Nursing Team) on Wednesday. Ms Ward discussed with Leopards the importance of good hand hygiene.

We continue to teach the importance of hand (and respiratory) hygiene with all pupils as part of our curriculum.
