

## CHRISTMAS CARD COMPETITION

We're looking for a CU member to design our Christmas card – think festive, creative and colourful! Follow the instructions below to ensure the best results. The winner will have their design printed on Christmas cards sent to all our partner schools in Wakefield. They will also receive copies of the card for themselves along with a £20 Amazon voucher.

### Competition Instructions

- Use paint, felt tip, crayon, inks or coloured pencils.
- Make sure any text you write is **bold**, legible and kept well within the edges of the frame.
- Make sure any border design is nice and large as the picture will be trimmed around 3mm into the coloured print on the cards to give a professional finish.
  - Designs can be landscape or portrait
- Please **DO NOT** use any type of glitter as it can get on other members work and can damage the scanners.
  - Please don't fold the design, or use staples or Sellotape.
- Pale coloured pencils, particularly yellow on a white background **do not** reproduce well.
  - Avoid metallic finishes such as bronze, silver or gold.

The deadline is **Monday 23rd November 2020** so make sure you've posted or emailed your entry before then. You can also hand it in to your school. No late entries will be accepted. Please also complete the consent forms below and return with your entry.

*By signing below, you are giving permission to Wakefield College to use your child's design, to produce a Christmas Card and to publish the design, with their name on social media and in future publications.*
