Don't Forget...

- Practise your spellings and handwriting regularly.
- This timetable can be reorganised to fit in with your family - but please try to engage in at least 3 hours of lessons/work each day.
- Your class teacher will call you every week to check your progress. You can email your class teacher with any questions at: leebriggjaguars@watertonacademytrust.org
- We will look at issuing paper packs where required.
- If you need any help at all, please just get in touch with us on 01924 893829 or at leebriggadmin@watertonacademytrust.org
- Remember to upload your completed work to TEAMS or email it to your teacher!

Wider Curriculum – Pick a Project – You can do one per day, one per week or over a few days

Science

As scientists this week we are going to look at animals. We are going to learn about the different classifications of animals - birds, fish, amphibians, reptiles, mammals and invertebrates.

Each short clip on teams will tell you some key features about each type of animal. Using this information can you sort the animals into different classifications?

Science

As scientists we are going to learn about what different animals eat. We will learn that some animals are carnivores, some animals are herbivores and some animals are omnivores.

<https://www.bbc.co.uk/bitesize/topics/z6882hv/articles/z96vb9q>

After watching the video can you draw or label animals as carnivore, herbivore or omnivore?

Art

As artists this week we are learning how to use different shapes to draw a cat.

Please watch the video on teams and follow the steps in the video.

Challenge

Can you follow the video?

<https://www.youtube.com/watch?v=z1Txyhh4oGA>

PE – Get Active Every Day!

Get active with Joe Wicks on a Monday, Wednesday and Friday! Click the picture to watch the videos!

Daily Mile

Can you calculate how many laps around your garden a mile is? You could complete your daily mile!

Create your own **personal challenge!**

Set a target for it and see how much you can improve.
No equipment? See how many times you can run across the garden in 30 seconds. Got a ball? How many consecutive catches can you make!
Skipping rope? How many successful jumps can you achieve!
