Wider Curriculum – Spread these over a few days!
Complete at least 2 activities!

Geography

In our Geography work over the next few weeks, we will be learning about the Continent of Africa.
Activity 1: Use the links and PowerPoint to find out about Africa. Make a fact sheet - use pictures and a sentence to show what you have learnt (Try not to copy and paste from the internet. Your sentences should be short so that you can remember the fact at a later date).

Art

This week in art we will be learning about the artists Joseph Turner and Stephen Wilshire.
Activity 1: Artist of the Week: Comparison Activity

Activity 2: Clay modelling
This week children will learn how to make a dragon's eye using traditional clay, modelling clay or plasticine. On Thursday and Friday (book swap/resource pick up days) you will be able to pick up a clay pack from school or if you have plasticine at home you could use this. The assignment will be on teams from Wednesday!

Science

This week in science we will continue our learning about Animals Including Humans.
Activity 1: Children have learnt about the different types/groups of animals. This week's task is to learn about offspring. Children will learn the names of offspring and match these to the adult names.

Extras: (Non-compulsory)

Gymnastics
Join in with Mrs Guppy's gymnastic session! Film yourself completing your favourite move and send it in!

Daily Mile

Can you calculate how many laps around your garden a mile is? You could complete your daily mile!

Create your own personal challenge!

Set a target for it and see how much you can improve.
No equipment? See how many times you can run across the garden in 30 seconds.
Got a ball? How many consecutive catches can you make!
Skipping rope? How many successful jumps can you achieve!
