

We had a lovely first week back! The children enjoyed spending lots of time outdoors and playing with their friends.

This week's learning: Our key text will be 'Jasper's Beanstalk'. We will follow instructions to plant a bean and learn about what plants need to grow. We will look after our bean plants and observe the changes.

In Letters and Sounds we will focus on initial sounds (the sound at the beginning of a word), oral blending and listening.

Our circle time activity will be to talk about how we can stay healthy.

Our new songs will be: 'Plant a Little Seed'

https://www.youtube.com/watch?v=da_LbBewte8

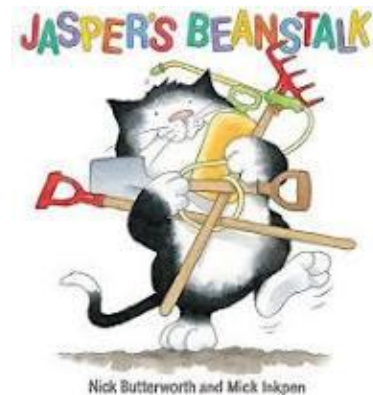

and 'The Healthy Eating' song

<https://www.youtube.com/watch?v=-JldSBUQB34>

Farmer Dean has kindly delivered our eggs. They are now in the incubator and we have to wait 21 days for the chicks to hatch. We will keep you informed about their progress.

Our maths activities will involve playing games to help us with our subitising, such as 3 or not 3.

Thank you for the plants that have already been brought into nursery. If anyone can donate a plant or some flowers for the children to explore and investigate, we would be very grateful. We would like the children to explore a variety of plants/flowers such as plants that smell (herbs), cactus plants, plants that flower, large plants, small plants or plants with unusual leaves.

Please remember to name all your child's clothing including their shoes.

Thank you for sending in the baby photographs. The children are really enjoying playing guess who!

Once again, thank you for all your support. Enjoy your week everyone and take care.

Best wishes, Mrs Windsor and Mrs Hough.
