

Firstly, thank you to everyone who has donated a plant. The children have been artists, (drawing some of the plants and flowers) and scientists. They used all of their senses to explore the plants and did a good job looking after them.

This week's learning: Our key text will be 'The Very Hungry Caterpillar.' A great story to learn about the days of the week, healthy and un-healthy food and the life cycle of a butterfly. Our live caterpillars should arrive this week so that we can see the cycle in 'real life'.

In Letters and Sounds we will focus on memory, initial sounds and syllables.

Our song for the week will be, 'There's a Tiny Caterpillar on a Leaf.'

Our maths activities will involve learning about days of the week, different times of the day and measurements.

Now the weather is getting warmer can we please ask that your child brings a sun hat to nursery (please name it) and please apply sun cream before coming to nursery when necessary.

**Children in the PM session (staying in nursery in September):** If you would like your child to attend nursery in the morning session from September, can you please let one of the nursery staff know before we offer places to the children on the waiting list.

**30 Hours:** If your child will be returning to nursery in September, we do have some places available for children to do their 30 hours entitlement with us here at Lee Brigg (not everyone is eligible for this). Please speak to a member of the nursery staff or the school office if you require any more information about this.

**Class photographs:** On Wednesday 28<sup>th</sup> April the photographer will come into school to take a class photograph. Please ensure that your child is wearing uniform on this day.

As you can appreciate, the children may get mud, paint or glue on their school uniform. Although we do provide aprons they do not always ensure total protection. We apologise if this has happened to your child's clothing and our suggestion for washing the stain out is to soak the garment in cold water before washing it in your machine.

Once again, thank you for all your support.

Best wishes, Mrs Windsor, Mrs Hough and Mrs Woollands (on an afternoon).
