

This week's learning: We will continue with some of our Brown Bear, Brown Bear activities and we will revisit the text 'Peace at Last' by Jill Murphy.

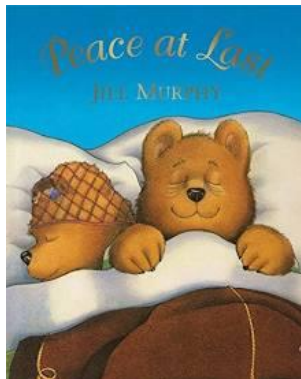

In 'Letters and Sounds' we will continue to play lots of games to help the children with their oral blending and segmenting skills (an important skill to support them when they learn to read).

To help your child at home you could clap syllables in words- ti-ger (2 claps) hipp-o-pot-u-mus (5 claps).

You can also play blending games: The adult breaks the word up such as c-a-t and ask your child to blend them together, they will reply cat. If your child finds this tricky, split the vowel ca-at.

One of our caterpillars has manoeuvred into a chrysalis (cocoon) ready for metamorphosis to take place. We are now waiting for a butterfly to emerge. We are keeping our fingers crossed that the change happens before we break up for the half term holiday.

Thank you again for supporting your child with their self-care skills. They are getting much better at using tissues instead of their sleeves!

Date for your diary: Book Swap on Monday June 21st. We would like to visit 'The Brigg' for a book swap session. For this to take place, every child will need to be accompanied by an adult. Grandmas, grandads, aunties, uncles are welcome, however, we kindly ask that only ONE adult attends from your family. Adults will need to return to school at 10.30am (if your child attends nursery in the morning) and 2.15pm (if your child attends nursery in the afternoon). Children come to nursery at their normal time. We will then walk over to 'The Brigg' as a group.

At the book swap the children will be able to spend time with their adult looking at books, sharing stories and will have the opportunity to swap one of their books from home. Please bring the book that your child has chosen to swap when you return to nursery at 10.30am/2.15pm.

Children will go home from The Brigg so please ensure you take all your child's belongings with you. The children who attend nursery for 30 hours will take part in the book swap in the afternoon.

We break up for the half term holiday on Friday 28th May for one week. The children return to nursery on Tuesday 8th June due to Monday 7th June being an INSET day.

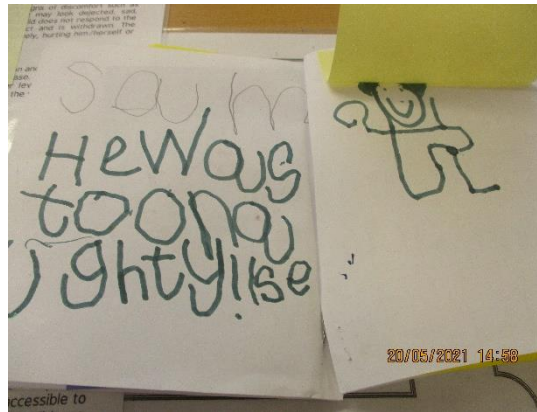

You will find some photos of this week's learning overleaf. You can also view the school newsletter on Teams. Have a lovely half term holiday.

Take care, Mrs Windsor, Mrs Hough and Mrs Woollands (in the afternoon session).
