

Lee Brigg Infant and Nursery School

Children’s Inclusion Policy

The children at Lee Brigg Infant and Nursery School have put together their ideas for a Children’s Inclusion Policy.

Children at Lee Brigg Infant and Nursery School learn that everyone, regardless of their background, how they look, where they live and even their likes or dislikes should be treated with respect. Every child and adult is an individual and differences, as well as similarities should be celebrated.

Our children have put together a list of their thoughts, ideas and suggestions on how we can include everyone at Lee Brigg Infant and Nursery School.

- Always be kind to everyone
- Be helpful to everyone
- Greet everyone with a smile
- Say good morning or good afternoon
- Ask someone on the buddy bench if they want to play
- Ask others to play your game
- If someone is hurt help them
- Tell a grown up if you see or hear someone being unkind
