

Our topic this half term is all about ‘Our World’. This week we will revisit the text ‘Eat Up Gemma’ by Sarah Hayes.

We will look at similarities and differences between people and discuss how families may be made up. We kindly ask that the children bring a family photo/photos into school for our display. In ‘Letters and Sounds’ we will begin to look at letter shapes and sounds (this will be the children who going to school in September), the younger children will continue to take part in activities to help them to develop their listening skills and turn taking skills. We will continue with oral blending and segmenting activities and syllable clapping activities.

Unfortunately, metamorphosis did not happen with our ‘real’ caterpillars but we are happy to say that our playdough ones did change and your child will have brought home the butterfly that came out of their paper cocoon!

In maths, we will be exploring shapes.

We would like the children to take part in a sponsored ‘jump up and down day’. The children have been learning how to keep healthy and know how important exercise is to keep healthy. The children will jump up and down at various times through the nursery session. When the music plays the children will jump up and down. The fun part is, we do not know when the music is going to play!

The funds that we raise for this event will help towards the payment of the mobile farm that will be visiting nursery in July. We thank you in anticipation for your support. Your child will bring their sponsor form home on Friday (of this week). The sponsored event will take place next Friday 18th June. We kindly ask that any money raised is sent into nursery once the sponsored event has taken place.

We hope that you have all had a lovely half term holiday. You will find some photos of last week’s learning overleaf. You can also view this newsletter and the school newsletter on Teams.

As safety is paramount at Lee Brigg School, can we kindly ask that your child stands with you at all times whilst waiting for the door to open at the beginning of each session.

Thank you for all your support, take care, Mrs Windsor, Mrs Hough and Mrs Woollands (in the afternoon session).
