18	What is your favourite subject				A wide range of subjects were given including – maths, writing, science, PE (which was very popular), History, Art, RE and PSE (1 Decision)
19	What would you like to do more of at school				Answers ranged from more maths, to more PE!

Comments related to question 15 - Can you tell me what you know or have learnt about differences?

Below are just some of the comments from our children

- *We are all different in a unique way.*
- *You shouldn't judge people by their skin colour.*
- *You should just treat people the same way you want to be treated.*
- *Children might have different coloured skin but really, they are the same as me.*
- *It doesn't matter if you are different because everyone is unique.*
- *Be nice to people and respectful.*
- *I like to meet new friends; even though they are different we are the same.*
- *It doesn't matter if you are different because you don't always want to be the same anyway.*
- *Differences don't matter at all.*
- *Everyone couldn't be the same or it would be boring. If you are different you still have to treat people the same.*
