Dear Parents, Carers and Children,

As we finish school for the summer break after what has been another extraordinary year, we would like to thank all parents and carers for their support. We appreciate it has at times been very difficult, as we have been operating as a school in previously unknown territory, trying to maintain staffing levels and ensure effective home learning, alongside providing our children with the education, care and experiences that they deserve.

We cannot thank you enough for your patience and understanding.

To our children, you continue to be resilient, to overcome obstacles and to put every effort in to your learning. We are sorry to see our Year 2 pupils leave us and would like to wish them all the best of luck as they move on to junior school – they are certainly ready! Keep reaching for your goals and with your 'can do' attitude, perseverance and determination you will get there!

Finally a huge thank you our wonderful staff team. At times this year, our staff have undertaken numerous roles to support colleagues who are isolating and therefore maintain the high standards in school that our children deserve. We truly are grateful for your dedication to the children at Lee Brigg Infant & Nursery School and for giving them the very best that you can.

All that is left is to wish everyone a safe and happy summer. We will be here waiting for those returning to Lee Brigg on Wednesday 8th September 2021 where normal school times will resume.

On behalf of our staff, we would like to say a huge thank you for your kind gifts and cards which we have received. We were overwhelmed by your generosity and we are very appreciative.

Should there be any changes to routines or procedures or should we receive any update or further advice from the Government or Waterton Academy Trust, we will inform you through our usual communication channels.
