Dear Parents and Carers,

Our First Full Week of Term

We are extremely proud of the way in which our pupils have settled back into the rhythm of school. It was wonderful this week to be able to hold assemblies 'in person' and for the school to come together collectively.

After School Clubs

After school clubs will recommence next week for Year 1 and Year 2 pupils and will run for four weeks. **There will be no after school clubs in the last week of term (week commencing 18th October 2021)**

Pupils should have received home a slip to confirm their place in after school clubs. Please note all clubs are now full with the exception of reading club.

Our reception class pupils (Tigers) will be welcomed to join after school clubs later in the year once they have settled into their school routine.

Meet the Teacher

Thank you to those parents and carers who were able to attend our meet the teacher sessions which were held this week. We hope you found the session informative. It was a pleasure to be able to welcome parents and carers into school once more and for the children to be able to proudly showcase their learning environments.

Class E-mails

We appreciate that you may need to communicate with your child's class teacher. Please could we ask that you use the class email addresses below to make contact regarding learning etc. Please be mindful that these accounts will not be checked throughout the day but at the earliest convenience of teaching staff. Should you have any urgent enquiries, please contact the school office.

Pupil Asset

Each school within Waterton Academy Trust has moved to a communication system called Pupil Asset. You will eventually be able to use the system for bookings (such as after school club and parents evening) and as a school we will use the system to communicate to parents / carers. We will run Pupil Asset alongside our existing parent communication app (Parenthub).

With this in mind, it is imperative that we have up to date contact details for parents and carers to allow them to make best use of the app-based system and to ensure that we are able to contact you as required. We have sent this newsletter in a 'test' e-mail using pupil asset to those who hold parental responsibility for

OPERATION ENCOMPASS

In every force. In every school. For every child.

Dear Parent/Carer,

The school has been given the opportunity to take part in a project that will run jointly between schools and West Yorkshire Police.

[Operation Encompass](#) is the reporting to schools, prior to the start of the next school day, when a child or young person has experienced, any domestic abuse.

Operation Encompass will ensure that a member of the school staff, (DSL) known as a Key Adult, is trained to allow them to liaise with the police and to use the information that has been shared, in confidence, while ensuring that the school is able to make provision for possible difficulties experienced by children, or their families, who have been experienced a domestic abuse incident.

We are keen to offer the best support possible to all our pupils and we believe this will be extremely beneficial for all those involved.

Yours sincerely
