Friday 8<sup>th</sup> October 2021

Dear Parents and Carers,

As another week of term draws to a close we would like to thank our parents and carers for their continued support. Mrs Dixon-Child and Mrs Robinson are available in the school office to assist our school community. Please either call in to the school office, telephone (01924 893829) or email ([leebriggadmin@watertonacademytrust.org](mailto:leebriggadmin@watertonacademytrust.org)) to get in touch.

## Pupil Asset / Newsletters by Email

Thank you to those parents and carers who have been in touch to advise that they did not receive the school newsletter last week (which was sent by e-mail using pupil asset). Mrs Dixon-Child has reviewed our data within pupil asset and has ensured that each pupil has at least **one** contact who holds parental responsibility whom is able to receive the newsletter by e-mail.

Please note should you 'unsubscribe' to our emails you will no longer receive the weekly newsletter by e-mail.

We have today invited parents and carers whom hold Parental Responsibility to register for the Pupil Asset system. A text message was sent prior to a 'password reset' email being submitted to you by the school office. The pupil asset platform will be able to be used to book parent consultations and make some online payments going forwards. Please contact Mrs Dixon-Child with any queries or should you not have received the password reset email. We thank you for your patience.

## Parenthub

We have received a number of enquiries in regards to our Parenthub app. Following feedback, we will look to reinstate Parenthub. Please look out for further updates.

## Lee Brigg Turns Yellow

Thank you to those who participated in our non-uniform day in support of Young Minds. We were overwhelmed with your generosity.

## Stage Area – Before and After School

As the weather becomes wetter and colder, we would ask parents and carers to be mindful that the stage area can become slippery underfoot. We do try to cordon off areas of the school site which are 'out of bounds' with cones; however, staff are not available to enforce this restriction before and after school. We would ask for the cooperation of our parents and carers to ensure pupils do not play on the stage area (or any cordoned off areas of the school site) to maintain the safety of all.

## School Photographs

It was lovely to see so many smiling faces in school on Tuesday when our individual school photographs were taken by Tempest Photography. We have opted for the online ordering system this year and will send details of how to place an order to parents and carers shortly.

## Year 1 Reading Meeting

Thank you to those parents and carers who were able to join the Year 1 team on Thursday for our reading meeting. We hope you found the session informative.
