

Tiger's newsletter 8th October 2021

This week we have been reading the story "Billy's Beetle". The story is about a boy who loses his pet beetle and the characters who help him (eventually) find the beetle. Our key words this week are beetle, lost, search, behind, wandered, continued, in front, sniff, smell and in between.

Our challenges this week have included drawing and labelling a pet or animal and using the dip, dab, dob, mix to paint a pet or animal. We have also cut out beetles and compared amounts of objects with a friend. We have used the language of 'more', 'fewer', 'same' and 'equal' to compare amounts. Please try and use this language at home when you can.

Autumn Walk

Next week we will be taking the children on an Autumn 'welly' walk to the local woods. We will be looking for signs of Autumn and exploring our local area. Please ensure your child has a waterproof coat in case of rain.

Book boxes

The book boxes will be at the bottom of the stairs each morning. The basket has books you may take and read with your child. Please return and swap as often as you like. If your child is ready for a new reading book (and has read the current book 3 times) , **please place the reading book inside the reading record** and in the plastic box provided.

Uniform

We have some lost cardigans and jumpers and we have several cardigans and jumpers with no names in. Please check you do not have the wrong items at home and **please label all uniform.**

Bottles and pots

We need small and medium plastic bottles and pots (preferably with lids) for our outdoor Discovery Lab. Please save for us and send to school.

Class email

If you want to share anything your child has done at home or if you have any questions, you can email us on our tiger class e-mail - leebrigggtigers@watertonacademytrust.org
