Friday 19th November, 2021.

Dear Parents and Carers,

As you are aware, Lee Brigg Infant and Nursery School were inspected under section 5 of the Education Act 2005 (as amended) by Ofsted this week. The inspection took place over two days (Wednesday 17th November 2021 and Thursday 18th November 2021).

Sincere Thanks

As with any inspection, there is a detailed timetable and this involved each and every member of our Lee Brigg Family we would like to extend our sincere thanks to you all for your contributions.

An enormous contribution was made to the inspection by your children, some of whom were observed in lessons or were asked to chat with inspectors about their experiences in school.

We would like to thank those parents and carers who took time to share their feedback when completing the Ofsted Parentview survey and would also like to thank those who took time to speak to inspectors at either end of the school day. We received cards of encouragement, words of support and biscuits (!) from our parents and carers, which were all gratefully received.

Our staff team were supported during the inspection by the leadership team within our wonderful academy trust. We are proud to work collaboratively within the Waterton Academy Trust and appreciative of senior leaders making themselves available to speak to the inspection team.

It was lovely to be able to welcome our Academy Standards Committee to share their role with inspectors. Academy Standards Committee members undertake their vital role voluntarily and we wholeheartedly value Mr Emms and Miss Godfrey spending additional time in school this week.

We are fortunate at Lee Brigg Infant and Nursery School to work with a team who are not only committed, caring and competent but who personify the ethos of our wonderful school.

We must also thank our local Headteacher network and Senior Leadership teams for their support. Our friends at Altofts Junior School provided staff with a refreshment hamper, which was unexpected but much appreciated!

Inspectors will share their final report and findings from their inspection shortly.
