

Dates for your diary: Tuesday 5<sup>th</sup> April is our Easter 'stay and play' session. The morning 'stay and play' session (for the morning children and the 30hour children) will be 10.30am-11.30am. The afternoon 'stay and play' session (for the afternoon children) will be 2.30pm-3.30pm. **At this session, you will work with your child making Easter crafts such as an Easter hat. YOU DO NOT NEED TO PROVIDE A HAT AS THE CHILDREN WILL MAKE ONE IN NURSERY.** However, your child is welcome to bring some Easter decorations to put on to their hat. Shops such as the 'Pound Shop' & 'B&M' have lots of lovely decorations that you might like to use. Your child will wear the Easter hat that they make at our Nursery Easter Parade on April 8<sup>th</sup> 2022, 11am (for the morning children and the 30hour children) & 2.30pm (for the afternoon children). You are invited to come and watch the parade (in our outdoor area) and we will even sing a few of our spring songs!

Can we please ask that you name all your child's clothing and shoes. Now the weather is getting warmer, the children are taking off their jumpers and cardigans. Unfortunately, if they are not named we cannot always return them to their rightful owner.

This week's learning: Our key text was 'Eat up Gemma'. This text made us think about how our families are all different. We discussed who lives in our house and who is in our family. Our key vocabulary was: church, feast, upside down, spicy, morning, afternoon and evening. Our 'wow' word was proud. Please try and use these words at home.

Farmer Chambers brought his tractor in for us to look at and clean! This activity promoted lots of language, new vocabulary and physical skills (the giant wheels were very muddy!)

We have been looking closely at our eggs in the incubator and hopefully the chicks will begin to hatch next week (please keep your fingers crossed).

We have enjoyed the beautiful weather and noticed some changes in our outdoor area. Our flowers and plants are beginning to grow, we looked at the buds on the trees and spotted the wildlife (ants and worms)!

The children have been artists! They have used their fabulous drawing skills to draw a portrait of their mummy. We hope that you like it!

Once again, we will share some of this week's fabulous learning on Twitter- so please have a look at our tweets.

Thank you for your continued support. Please don't hesitate to speak to us about any worries or concerns you may have, we are here to help.

Happy Mother's Day to all our mummies, we hope that you have a lovely weekend and that you all get spoilt (you deserve it).

Mrs Windsor and Mrs Hough.
