

Tiger's newsletter
25th March 2022

This week we read the story Handa's Surprise by Eileen Browne. This story is about a girl, who lives in Africa, who takes a basket of fruit to her friend Akeyo. Along the way, the fruit is stolen by different animals and she somehow ends up with a basket of tangerines, which is a surprise for them both. Our words this week are **surprise, ripe, tangy, juicy, round, delicious, sweet, soft, spiky** and **creamy**. Please try and use these words at home when you are shopping, preparing food or eating with your child.

In maths, we are learning our number bonds to 10. These are the numbers that add together to make 10 (10 and 0, 9 and 1, 8 and 2, 7 and 3, 6 and 4, 5 and 5, 4 and 6, 3 and 7, 2 and 8, 1 and 9, 0 and 10). See if your child can tell you the different ways of making 10 or use their fingers to work out the answer.

We have been amazing artists this week and have been making flowers in lots of different ways. We have drawn around and cut out 2D shapes, used collage or crafting techniques and learned to draw the outline with pens and then to fill them in with water colours. We have also worked really hard on our writing this week and have written some messages in cards and a class poem about our Mums.

Next week, we are going to be preparing and tasting different fruit. We would also like to investigate fruit in our discovery lab. If you have any **fruit** which is past its best, please send in for us to explore. We also need **small boxes** for our modelling area – please send in if you have any.

Please email us on leebrigggtigers@watertonacademytrust.org. And please remember to follow us on twitter (https://twitter.com/Lee_Brigg) to see the amazing learning we have been doing.

From Mrs Tutt, Mrs Taylor, Mrs Guppy, Mrs Greaves and Miss Taylor
