Friday 1st April 2022.

Dear Parents and Carers,

Next week is our MND (Motor Neurone Disease) fundraising week both in school. This has been organised in conjunction with Waterton Academy Trust, The MND Association and Wakefield Trinity. Across our 13 schools we are hoping to raise as much as we can for the new Rob Burrows MND centre in Leeds. The events across the week include:

Monday 4th April - Rugby Tournament at Wakefield Trinity (you will already have been informed if your child is participating in this event).

Wednesday 6th April - 'Wear your Colours Day' Children are welcome to come to school in their favourite sports club shirt / colours or even come in the uniform of any out of school clubs they attend - e.g. Brownies.

Of course, as always children can choose to come in non-uniform. The charity are asking for donations on this day.

Friday 8th April - Run for Rob - All children will take part in a sponsored run. This will be during the school day. A sponsor form has been sent home with your child this afternoon. Again, any donations are gratefully received and much appreciated. Funds can be returned to school anytime between **4th April** and **29th April**. Donations are also able to be made using our Trust Give as you Live site: [Waterton Academy Trust are fundraising for Leeds Hospitals Charity and Motor Neurone Disease Association | Give as you Live Donate](#)

We really hope that you can help support this extremely worthwhile charity.

MND Spotlight

Waterton Academy Trust is proud to be partnered with Wakefield Trinity Community Foundation to help raise funds for Rob Burrow and the MND Association as well as Leeds Hospitals Charity.

In December 2019, the former Leeds Rhinos scrum-half and captain Rob Burrow was diagnosed with Motor Neurone Disease, just two years after ending his career.

The tricky halfback was known as one of the Rhinos' most consistent performers throughout a spate of success under former head coach Brian McDermott.

In a glittering career, Burrow was part of eighth Grand Final-winning teams, claiming the Harry Sunderland trophy in both 2007 and 2011.

Alongside his triumphs on the pitch, he was also given an MBE in the 2021 New Year's Honours List following his successes in bringing more awareness to Motor Neurone Disease.

The week commencing 4th April, Waterton Academy Trust will be hosting a variety of different fundraising activities throughout our schools, including a 'wearing your favourite club colours to school day.'

The activities will be kicked off at the Be Well Support Stadium with a Rugby League festival at the beginning of the week on the 4th of April 2022, while participants will also be offered the opportunity to parade around the pitch at half-time of Wakefield's game against Castleford, continuing their collection of vital funds, with all money raised heading straight to the fight against MND.

Making a donation is fast, easy and secure thanks to Give as you Live Donate. They'll take your donation and pass it onto Leeds Hospitals Charity and Motor Neurone Disease Association.
