

Tiger's newsletter  
8th April 2022

This week we have been busy with lots of Easter and Spring activities. We made Easter cards for the residents of Chestnuts care home (the one we visited at Christmas). We drew and painted baby animals and Easter bunnies. We practised our cutting skills to make baskets and chicks, we created patterns and threaded Easter eggs. The Easter bunny also left us 10 eggs with tricky words written on the back. We had to work with a friend to hunt for the eggs, write the words and then read them to an adult. He even returned to move the eggs and change the words!

We also enjoyed our Spring walk to the local woods on Tuesday. The weather was not very Spring like as it was cold and windy. We looked for signs of Spring and even met a farmer, who was checking his fences before he let out his cows!

Lee Brigg	Snacks
water	0p Free
milk	2p
Carrot	3p
pear	2p
apple	2p
tangerine	3p
banana	3p
	77p

In maths this week, we combined amounts and made number sentences. We had to pay for our snack this week. We had to add together the price of our drink and our snack and then had to work out how to pay for it using 1ps and 2ps. We then counted the money in groups of 10p to work out how much we had spent.

Our topic after half term is 'Ready Steady Grow'. We will be learning about plants, life cycles and healthy eating. If you have any seeds, plants or anything else you could donate for our outdoor area, please send them in after the holidays.

We would like to raise some money to improve our outdoor area and will be holding a sponsored event next half term. We would like a sponsored 'wheelathon' where your child can bring in a bike or scooter (or can borrow one of ours). If your child is reluctant to persevere with this at home, please practise during the holidays in preparation for this event. We are hoping to hold this event during the last week of term and would like you to join us to support this event and for a picnic to help us celebrate the Queen's Jubilee. We will let you know the date after half term.

Please email us on [leebrigggtigers@watertonacademytrust.org](mailto:leebrigggtigers@watertonacademytrust.org) if you want to share any home learning with us.

Have a lovely break and don't forget to email us when your child has completed the holiday challenge!

From Mrs Tutt, Mrs Taylor, Mrs Guppy, Mrs Greaves and Miss Taylor
