

Our value of the term is: Friendship. We will learn about kindness, sharing, team work and what happens if we fall out?
PSED/1 decision: Using the 'Dilemma Drops', we will learn about different ways to keep healthy. We will learn how to keep safe in our daily routines.

As individuals and friends, we will:
 Play as part of a group.
 Develop a sense of responsibility.
 Talk about feelings (our own and others).
 Remember to use our manners.
 Care for our environment.

As healthy movers, we will:
 Develop our gross motor skills by joining in with wake up shake up and moving in different ways in the outdoor area. Use our core muscle strength to achieve good posture when sitting. Develop our fine motor skills- by joining in with dough disco and funky finger activities (these help us to control pens and pencils effectively). Become independent with our self-care. Learn about the importance of keeping healthy (brushing our teeth, eating healthily and exercising).

As communicators, we will: Learn new vocabulary and use a wide range of vocabulary (see our weekly newsletter).
 Listen to favourite stories, songs and rhymes
 Take part in quality conversations and speak in sentences.
 Use language to share thoughts, feelings and experiences.

Tiger Cubs (Nursery)
Our topic is 'Ready Steady Grow'
Summer 1 2022

As readers and writers, we will: Listen to and enjoy the stories shown and many more (daily).
 Take part in daily pre-phonics sessions (focusing on orally blending, sequential auditory memory and clapping syllables,).
 Retell our favourite stories
 Begin to recognise own name and write some recognisable letters.

As mathematicians, we will:
 Recognise groups of objects without counting (subitise 1-3).
 Join in with number rhymes.
 Count daily.
 Link numerals and amounts up
 Use subject specific vocabulary (see newsletter and parent's board)
 Compare heights/length using non-standard measures.
 Compare quantities.

As artists, actors and musicians we will:
 Create pictures using fruit and vegetables based on the work of the artist Giuseppe Archimboldi.
 Learn about the musician Vanessa Mae.
 Listen to different pieces of music such as 'Brahms - Lullaby'.
 Take part in food technology activities.
 Learn about different food from 'The Discovery Kitchen' visit.
 Create our own stores and act them out using 'The Helicopter Story' approach.

As scientists, historians and geographers we will:
 Learn about the life cycle of a butterfly and a bean.
 Care for live caterpillars.
 Learn about how we have changed from a baby
 Learn about plants and how to care for them.
 Learn about The Royal family and celebrate the Queen's platinum jubilee.
 Use subject specific vocabulary.
