

Our value of the term is: Friendship. We will read stories and discuss this in our weekly circle time sessions.

PSED: We will watch Blue's Best Friend and learn how to be a good friend. We will watch Green's Greens and discuss trying new foods and making healthy food choices.

As communicators, we will: Learn new vocabulary and use a wide range of vocabulary (see our weekly newsletter).

Listen to favourite stories, songs and rhymes
Take part in quality conversations and speak in sentences.

Use language to share thoughts, feelings and experiences.

As readers and writers, we will: Listen to and enjoy the stories shown and many more (daily).

Take part in daily phonics sessions.

Form our letters correctly.

Write tricky words and words with the sounds we have learned.

Write sentences using our Magic 5.

Write instructions.

As mathematicians, we will:

Count daily.

Learn the teen numbers.

Look at patterns in number beyond 10.

Add and subtract numbers. (number sentences).

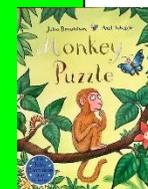

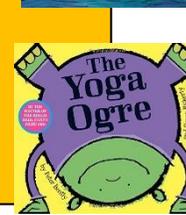

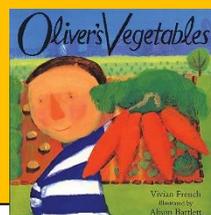

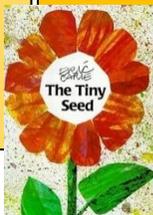

Match, rotate and make patterns with shapes.

Describe, name and continue repeating patterns.

Pay for our snack.

Create pictograms.

As individuals and friends, we will: be better friends. We will think about what makes a good friend and practise these skills.

Tigers (Reception)

Our topic is 'Ready Steady Grow'

Summer 1 2022

As healthy children, we will:

Create a healthy plate (eating a balanced diet)

Learn where vegetables come from and which parts of a plant we eat.

Develop our fine motor skills by cutting, writing, drawing and using tools including staplers, hole punches and split pins.

Develop our bike riding skills and prepare for our sponsored 'wheelathon'.

Improve our ball skills including aiming, catching and striking objects.

Use yoga and mindfulness activities to help us feel calm and relaxed.

As artists, actors and musicians we will:

Use loose parts make flowers.

Use different materials to weave patterns.

Make models of mini-beasts.

Turn fingerprints into minibeasts using sharpie pens.

Use clay to make relief tiles of minibeasts.

Learn about the musician Vanessa Mae.

To understand our world, we will:

Plant beans, seeds and salad.

Understand what a plant needs to grow. Look after a plant at home.

Predict and record the growth of plants.

Learn about the lifecycle of a caterpillars, tadpoles and other minibeasts.

Learn about the Queen and celebrate the Queen's Platinum Jubilee.

As scientists, historians and geographers we will:

Learn about minibeasts and their habitats.

Look at where some food comes from.
