### TIGER'S WHEELATHON

We had a fantastic time at our 'Wheelathon' the children were brilliant. They showed amazing skills travelling around the course on their scooters and bikes. Thank you to those parents who allowed children to bring in their own helmets, bikes and scooters.

A **big, big thank you** to those parents who have returned their sponsor money. We can now look at what new equipment we can order for our outdoor area - It isn't too late to return any sponsor money you may still have, every little helps us to provide a more stimulating environment for your children.

This week our story is The Three Little Pigs, we drew pictures from the story and wrote descriptive sentences about the pigs using the sentence starters He is, She is, He had, She had. We also made printing and collage pictures of the different houses and drew pictures of pigs.

In maths we learned about doubling. We learnt that double means twice as many. We looked at doubles on dominoes and dice. We found doubles around us in the classroom and in nature. See if you can find any doubles at home. We also made pairwise patterns and found out which numbers did and didn't make a pairwise pattern on our ten frames.

We heard the story "Rainbow Feels Angry" and discussed how we can control our feelings when we are angry, cross or frustrated.

Next week we will be continuing our work about the Three Little Pigs, we will also be making cards for someone special!
