

**Our value of the term is:** Resilience. We will read stories and discuss this in our weekly circle time sessions.

**PSED:** We will watch Rainbow's food journey and learn about different foods. We will watch Rainbow likes to play with Orange and discuss how people speak different languages.

**As communicators, we will:** Learn new vocabulary and use a wide range of vocabulary (see our weekly newsletter).

Listen to favourite stories, songs and rhymes  
Take part in quality conversations and speak in sentences.

Use language to share thoughts, feelings and experiences.

**As readers and writers, we will:** Listen to and enjoy the stories shown and many more (daily).

Take part in daily phonics sessions.

Learn to form our letters correctly.

Write tricky words and words with the sounds we have learned.

Write sentences using our Magic 5.

**As mathematicians, we will:** Learn 9 and 10 and understand how these numbers are made.

Count daily.

Begin to write number sentences.

Learn our number bonds to 10.

Name, describe and talk about 2D and 3D shapes.

Describe, name and continue repeating patterns.

**As individuals and friends, we will:** get better at self-regulation. We will get better at waiting our turn and understand that our needs cannot always be met straight away.

**Tigers (Reception)**  
**Our topic is 'Where in the World?'**  
**Spring 2 2022**

**As healthy children, we will:**

Develop our fine motor skills by cutting, writing, drawing and using tools including staplers, hole punches and split pins

Become independent by cutting our food and eating our lunch using a knife and fork.

Develop our ball skills including throwing, bouncing, catching, aiming and striking and use different equipment including bats and hockey sticks.

Use yoga and mindfulness activities to help us feel calm and relaxed.

**As artists, actors and musicians we will:**

Mix colours to make paint.

Learn songs/rhymes and dances.

Learn about our musician of the term- Stevie Wonder.

Learn about African Art including Ndele.

Make pictures multi-media by mixing paint, collage and other techniques.

**To understand our world, we will:**

Celebrate Pancake Day, World Book Day, Comic Relief, Science Week and Easter.

Learn about Zimbabwe and Africa.

Learn about special places of worship including Churches and Mosques.

**As scientists, historians and geographers we will:**

Learn about how we have changed since birth.

Use a map and globe to identify land and sea and different places (linked to stories or people we are learning about.)

Learn about different animals and their habitats.

Look at where some food comes from.
