

Tiger's newsletter  
24<sup>h</sup> June 2022

This week we read the story 'Harry saves the Ocean' by N.G.K. The story is about pollution and what we can do to look after our planet. Our key words this week are **rubbish, difference, ocean, dumped, saves, strange, harmful, free, rot and plastics**. Please encourage your child to use these words at home. We wrote descriptive sentences about the characters in the story. We also used 'pointillism' (the use of coloured dots to build a picture) to create fish and worked with a friend to make under sea collages.

In maths, we used multilink cubes to make models and also tried to copy a friend's model. We learned about **odd** and **even** numbers. We learned how all odd numbers end in 1,3,5,7 or 9 and how all even numbers end in 2,4,6,8 and 0.

We watched '**Blue's indoor Voice**' and discussed how we need to use a quiet, calm voice when we are inside. We also discussed ways in which we keep ourselves healthy and active. Please remember to send in any **green leaves** (The ones we sent home for when the children are keeping healthy or active). The children love sharing them with each other.

We are hoping to take the children on our Summer walk on Wednesday. We will also be taking litter grabbers and bags so we clean up our local area. Please ensure your child has a sunhat and a coat (just in case).

Thank you to everyone who has already sent in money for our trip to Tropical World on Thursday 7<sup>th</sup> July. Please ensure money is sent in as soon as possible so we can ensure we have enough to be able to go!

Next week is our Health and Wellbeing Week. We have our multi-skills competition on Thursday and our sports morning on Friday. Parents are welcome to come and watch our sports morning on Friday - we aim to start at 9.30am.

If you have any small world toys (people, animals, vehicles etc) that your child no longer plays with, please send them in to add to our small world area. We also need jigsaws, board games and any items you think the children might enjoy!

Please email us on [leebriggigers@watertonacademytrust.org](mailto:leebriggigers@watertonacademytrust.org) if you want to share any home learning or experiences with us.

From Mrs Tutt, Mrs Taylor, Mrs Guppy, Mrs Greaves and Miss Taylor
