Tuesday 20th September 2022

Dear Parents and Carers,

We are continuing with the teaching of **key values** within school as this remains an area of education that staff feel strongly will equip our children well for their learning in the future.

As well as the existing ethos in school, which promotes our 'Golden Rules,' rewarding children when they behave towards or treat others positively, we will continue to 'teach' a core **value** each half term, which will be a focus for discussions in assemblies and class circle times.

This half term we shall be focussing on the value of '**Good Manners.**'

All staff in school are on the 'lookout' for children demonstrating this value. We have already discussed what to have good manners means and why manners are important, therefore, children in school are aware and already understand what we are looking for. **For example, saying please and thank you, saying excuse me, waiting patiently etc.**

We would like to receive your input too!

Attached to this sheet is a copy of the 'leaves' that we use as a visual representation in school, to record who we have 'spotted' demonstrating the value of **Good Manners**. We would like our children to appreciate that everyone at times might make mistakes or get things wrong and that this is ok. We can make this better by asking for forgiveness from others.

If you or a relative 'spot' this value at home – please let us know! Simply record when and how you have seen your child showing good manners, on the leaf and we will celebrate these in school and attach them to our values tree.

If you have any questions, please speak to a member of staff.

Many thanks in advance for your support.

Yours sincerely

Miss Gordon

Executive Headteacher

Miss Kilkenny
