

**Dates for your diary:**

**Tuesday 28<sup>th</sup> March is our Easter 'stay and play' session.**

The morning 'stay and play' session (for the morning children and the 30-hour children) will be at 10.30am. The afternoon 'stay and play' session (for the afternoon children) will be 2.30pm. If you are unable to attend the session a family member/friend can attend in your place. At this session, you will work with your child to make an Easter bonnet. We kindly ask that babies/toddlers do not attend, so that you are able to support your child with the activity.

**Please DO NOT go and buy a hat as we will make the hat template in nursery.**

We will also provide some Easter decorations for the children to use on their hats. However, your child is welcome to bring their own Easter decorations into nursery to use on their hat. Shops such as the pound shop & B&M have lots of lovely Easter decorations that you might like to use.

Your child will wear the Easter hat that they make at our Nursery Easter Parade on **Friday 31<sup>st</sup> March at 11am (for the morning children and the 30 hour children) & 2.30pm (for the afternoon children).** You are invited to come and watch the parade (in our outdoor area) and we will sing a few of our spring songs to you!

**End of Year trip: Lotherton Hall—Wednesday 19<sup>th</sup> July.**

Your child will have brought a letter home from Nursery regarding the trip. Before we can confirm with the coach company and Lotherton Hall, we need to find out who is interested in joining us on the trip. Please complete the reply slip on the letter and return it before 24<sup>th</sup> March. We **DO NOT** require any payment yet!

This week's learning: Our key text was 'Peace at Last' by Jill Murphey. Our key vocabulary was linked to nature and time. We used the words grass, flowers, soil, garden, leaves, stem and times of the day (morning, afternoon & evening). Please try and use these words at home.

The children have written their name and drawn a picture (for someone they love). They have made repeating patterns by firstly copying a pattern and then creating their own. Please encourage your child to copy and make patterns at home.

The children thoroughly enjoyed visiting Lee Brigg Café! This was a great activity to develop the children's communication and language skills and their personal, social and emotional skills. The children waited patiently to order their food/drink from the menu and then made long queue to pay for their food with their 50p! The waitresses (Mrs Windsor and Mrs Hough) worked very hard and managed to get everyone's food and drink order correct! There are lots of photos for you to see on Twitter.

Once again, we will share some of this week's fabulous learning on Twitter- so please have a look at our tweets.

Thank you for your continued support. Please don't hesitate to speak to us about any worries or concerns you may have, we are here to help.

Can we please remind everyone to label your child's clothing and shoes.

Happy Mother's Day to all our mummies and grandmas, we hope you all have a lovely weekend.

Mrs Windsor, Mrs Hough and Mrs Standing
