

Dates for your diary:

Tuesday 28th March is our Easter 'stay and play' session.

The morning 'stay and play' session (for the morning children and the 30-hour children) will be 10.30am. The afternoon 'stay and play' session (for the afternoon children) will be at 2.15pm. If you are unable to attend the session a family member/friend can attend in your place. At this session, you/carer will work with your child to make an Easter hat. We kindly ask that babies/toddlers do not attend.

Your child will wear the Easter hat they make at our Nursery Easter Parade on **Friday 31st March 2023 at 11am (for the morning children and the 30-hour children) & 2.45pm** (for the afternoon children). You are all invited to come and watch our parade.

Can we please remind everyone to label their child's clothing and shoes. If you write their name with a pen, please keep checking the label to make sure that your child's name hasn't washed off.

Thank you to everyone who came to our Book Swap event. We really appreciate you coming to support your child and hope you enjoyed the session as much as we did.

Thank you for the lovely comments on the evaluation sheet; we will take on board the suggestions that you made to make the event even better.

This week's learning: Our story was 'Dinosaur Roar' by Paul and Henrietta Strickland. It is a simple text with great vocabulary. Our target vocabulary this week is: **lumpy, gobble, nibble, roar and squeak**. Please try and use these words as you go about your daily routines at home.

The children have been scientists! Different materials have been added to the investigation area for the children to explore. The children have been using scientific vocabulary to describe the materials.

At circle time, we listened to the story about Elmer the elephant. This story promoted our value of the term 'acceptance'.

The children have explored the boxes in the technology area and used mathematical vocabulary such as side, corner, straight and round when talking about their models.

Once again, we will share some of this week's fabulous learning on Twitter- so please have a look at our tweets.

Thank you for your continued support. Please don't hesitate to speak to us about any worries or concerns you may have, we are here to help.

We hope you all have a lovely weekend.

Mrs Windsor, Mrs Hough and Mrs Standing
