

As part of our topic 'Ready Steady Grow,' we will be learning about plants. We would like to create a plant display to promote scientific language. This will help the children to learn how to care for a variety of plants. We would like the children to explore lots of different plants and therefore ask for any donations of indoor plants (large and small). We kindly ask that you bring your plants into nursery next week.

This week's learning: Our key text was 'When I Was a Baby/So Much'. Our key vocabulary related to human growth and our 'wow' word was 'human'!

We have looked at the children's baby photos and talked about how they had changed. They enjoyed trying to guess who each baby was!

The children enjoyed making (healthy) chips! The peeling and the chopping strengthened the children's fine motor skills.

Farmer Dean came in to the 'candle' the eggs, "Candling" an egg is the process of holding a light or candle near the egg to see the inner contents. It is used to see whether the egg is fertile or not.

We are pleased to say that we have lots of fertile eggs. The chicks should begin to hatch on Tuesday May 9th (fingers crossed).

Up-coming events this half term: Friday 5th May will be our King's Coronation party. Your child will have already brought their invitation home with the food that they have chosen to bring to the party. Please bring the food into Nursery on Friday 5th May. The children are invited to come to nursery wearing red, blue and white clothes/Coronation clothes.

Lotherton Hall trip- 19/7/23. You will have received a letter about extra seats being available on the coach. Please speak to Mrs Windsor/Mrs Hough if you would like to reserve an extra seat for a family member/friend. The cost will be £15 (this includes coach travel and entry into Lotherton Hall). We will collect payment for the trip after the half term holiday.

Once again, we will share some of this week's fabulous learning on Twitter- so please don't forget to have a look at our tweets.

Thank you to everyone who has completed their skills challenge, you have all done a great job.

Please remember to name your child's clothing, (coat, shoes, cardigan, jumper). As the weather gets warmer, the children remove these items and we sometimes struggle to find the rightful owner if they are un-named.

Please don't hesitate to speak to us about any worries or concerns you may have, we are here to help.

Thank you for your continued support, have a lovely weekend, Mrs Windsor, Mrs Hough & Mrs Standring.
