

Tiger's newsletter
21.4.23

Our topic this half term is 'Ready Steady Grow'. This week we read 'The Tiny Seed' and have been learning about plants and what they need to grow. We planted a seed, wrote instructions on how to do this and have been exploring plants. We also read 'The Yoga Ogre' and watched 'Yellow's Bedtime'. We discussed how to keep ourselves healthy, which is our Value of the term.

Next week each child will be planting a sunflower seed which they will bring home to care for. Please send in a small named pot for them to use (if you don't have a plant pot, a clean yoghurt pot will be fine).

In maths this week, we have been counting to 20 and beyond. We discussed lining things up, putting them in rows and moving them or crossing them out as good strategies for counting larger quantities.

We are sending home a sponsor form for our sponsored 'Spring' Walk, which is on Wednesday 3rd May. Please help us by collecting as many sponsors as you can so we can buy some new equipment for our outdoor area.

Please be mindful that free school milk is now only available for those who are not 5 until the end of the Summer term. (If your child is not 5 until the Summer holidays, they will still receive free milk) If your child is 5 (or 5 before the end of the summer term) and still wants milk, please follow this link to register and pay: [Fresh Pastures](#). If you have any questions or problems, please see Mrs Dixon-Child.

We are in the process of booking a trip to Tropical World and Roundhay Park on Thursday 6th July. As we have had to change the date of this trip, our Summer Walk (to which you are invited) will now take place on Wednesday 12th July.

Please email us on leebrigggtigers@watertonacademytrust.org. And please remember to follow us on twitter (https://twitter.com/Lee_Brigg) to see the amazing learning we have been doing.

From the Reception Team x
