

This week we have been scientists! Our key text was 'Jasper's Beanstalk' and our key vocabulary related to plant growth (roots, shoot, leaves, stem, seedling and flower). Our 'wow' word was 'dormant'. Please try and use these words at home.

Everyone has planted a bean and are now responsible for looking after it! Hopefully, we will soon have lots of beanstalks in nursery!

What 'awe and wonder' we have experienced in nursery this week! Observing and handling the chicks has been a wonderful experience for both children and adults. A HUGE thank you to Farmer Dean for providing the eggs. We are going to keep the chicks in nursery for a few more days so that we can observe further changes.

The Hungry Caterpillar workshop: May 17th (for children in the PM session) and July 5th (for the children in the AM session, and children who access 30-hour provision). All children will need to be accompanied by an adult. If you haven't already done so please send back the reply slip on Monday 15th May. If we do not receive a reply slip, your child will be unable to attend the workshop.

You will have received a letter with some information about the last day of term. The session will run differently on this day. Please make sure you read the letter and if you have any questions please speak to either Mrs Windsor or Mrs Hough.

Up-coming events: Lotherton Hall Trip- 19/7/23. We still have a few seats left on the coach! Please speak to Mrs Windsor/Mrs Hough if you would like to reserve an extra seat for a family member/friend. The cost will be £15 (this includes coach travel and entry into Lotherton Hall).

We will collect payment for the trip after the May half term holiday.

Once again, we will share some of this week's fabulous learning on Twitter- so please don't forget to have a look at our tweets.

We ask that on hot sunny days you provide a sun hat (named) and apply sun-cream before your child comes to nursery. We are unable to apply sun-cream to your child unless your child attends nursery for 30 hours. Please do not leave sun-cream in your child's bag. If you need to send sun-cream into nursery, please give your child's bag to a member of staff.

Please don't hesitate to speak to us about any worries or concerns you may have, we are here to help.

Thank you for your continued support, have a lovely weekend, Mrs Windsor and Mrs Hough.
