

This week's learning: We revisited the text 'Eat Up Gemma' (a story about a baby who was very mischievous). We have focused on naming the days of the week and talking about different times of the day such as morning, afternoon and night.

We have been scientists! The caterpillars are now in their cocoons (we are now waiting for metamorphosis to take place). Metamorphosis has already happened with the tadpoles, as they are now froglets. We have used the marbles, pom poms and ramps to explore movement and force.

We have been artists! The children have been developing their printing skills. They have become familiar with the materials and equipment that are needed for printing, such as sponges and rollers. Printing also allows the children to explore cause and effect such as what happens when a child changes the amount of pressure applied while making the same print more than once or which objects make the best prints, and why?

We have also learnt about the musician Evelyn Glennie and explored the sounds of the xylophone (one of the instruments that Evelyn plays).

REMINDERS: Payment for the Lotherton Hall trip. The cash payment of £24 (total for 1 adult and 1 child) needs to be paid by next Friday June 30th. If an extra adult is joining us there will be an additional cost of £15. Please pay either Mrs Windsor or Mrs Hough and please remember to return the slip (with your contact details on) that was attached to the letter that was sent out to you this week.

The Hungry Caterpillar Workshop - July 5th 9.45-11.15am. This session is for the morning children and their parents/carer. Children should come to nursery at the normal time and the adult will need to return at 9.45am. All children will need to be accompanied by an adult. The workshop session involves listening to the story of 'The Very Hungry Caterpillar' and then you will support your child to create their very own sock caterpillar to take home. All resources will be provided.

Please remember to apply sun cream to your child before coming to nursery and provide your child with a sun hat (named).

Once again, thank you for the support you give to us and the children.

We hope you have a lovely weekend.

Mrs Windsor and Mrs Hough
